

**REMARKS**

An interview between the Examiner and Dennis Smid (one of the applicant's undersigned attorneys) was conducted at the U.S. Patent and Trademark Office on March 25, 2009. The applicant and Mr. Smid wish to thank the Examiner for her time and consideration for such interview.

Claims 32, 35, 38, 41, 44, and 47 were rejected under 35 U.S.C. 101.

Independent claims 32, 35, 41, and 47 have been amended herein in the manner discussed during the March 25 interview. As a result of such amendments and as an example, the preamble of claim 32 now recites in part the following "the computer program when executed by a computer device or devices performs. . . ." During the March 25 interview, the Examiner indicated that such amended claims satisfy 35 U.S.C. 101. (Note-claim 38 depends from claim 32 and claim 44 depends from claim 41.)

Accordingly, it is respectfully requested that the above 101 rejections be withdrawn.

Claim 12 was rejected under 35 U.S.C. 112, second paragraph.

Claim 12 has been amended herein in the manner suggested by the Examiner during the March 25 interview. Accordingly, it is respectfully requested that the above 112 rejection be withdrawn.

Claims 29, 12, 36, 30, 21, 37, 33, 34, 39, 42, 40, 43, 45 and 46 are allowable.

Additionally, in the present Office Action, claims 13-19 and 22-28 were not mentioned. Since each of these claims is dependent from an allowable independent claim (i.e., claim 29 or claim 30), it is believed that such claims are also allowable.

In view of the above, each of the presently pending claims in this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to withdraw the outstanding rejections of the claims and to pass this application to issue. If, however, for any reason the Examiner does not believe that such action can be taken at this time, it is respectfully requested that the Examiner telephone applicant's attorney at (908) 654-5000 in order to overcome any additional rejections and/or objections which the Examiner might have.

If there are any charges in connection with this requested amendment, the Examiner is authorized to charge Deposit Account No. 12-1095 therefor.

Dated: April 22, 2009

Respectfully submitted,

By 

Dennis M. Smid, Esq.
